

Curriculum Support

Adventure PE Curriculum & Outdoor Learning

Looking for new and innovative curriculum activity?

We are able to deliver a balanced curriculum across the key stages which can be assessed to cover the key elements for;

- EYFS
- Key stage One and Two PE Curriculum
- Learning and Assessment evidence for GCSE and A level core Sports UNITS

Offering students the opportunity to develop in a range of adventure sports, with accreditation developing across key stages. The adventure sports can run across half term themes (6-8 weeks) with additional elements of First Aid, Leadership Skills, Team working, Wider Key Skills for Life.

The learning can be assessed and evidenced against existing school curriculum and awarding body requirements and be enhanced with National Governing Body Awards such as NICAS, BCU paddle sports awards, and other outdoor qualifications at Level 1 and 2.

We are also able to offer Activity Leadership awards / qualifications, and support in the career progression of young leaders through our apprentice scheme.

All practical activity and learning can be assessed by attending one of our Summer Residential Camps – please check out the page or contact us directly for further information.
