

## Duke of Edinburgh's Award

Fancy exploring the beautiful mountains of the Lake District or the breathtaking scenery of the Costa Brava mountains?

**Duke of Edinburgh's Award**

We are an approved provider for the Expedition Section at Bronze, Silver and Gold levels, supporting individual or Award Group Leader. Contact us for more information, dates & prices.

The banner features a group of six young people with large backpacks standing in a grassy field with mountains in the background. The Duke of Edinburgh's Award logo is in the top left corner.

## Duke of Edinburgh's Award

As an approved provider for Expedition Section at Bronze Silver and Gold levels, we can support you as an individual or Award Group Leader to train and assess young people to complete the practice and qualifying expeditions.

We have approved and accredited Expedition Supervisors and Assessors who have a wealth of experience in supporting young people to get outdoors – all holding DBS certificate, Outdoor First Aid and MLTB qualifications relevant for the terrain and area of expedition / Exploration.

### **Lake District Open Expeditions / Group and School Packages**

Whatever your mode of travel : walking some of the classic Lakeland fells and mountains; canoe some of the idyllic waters or cycle some of the more remote bridleways the lakes have to offer, we are able to package together an unforgettable

experience. All of the expeditions can be fully catered and all equipment provided if required.

We are able to offer the complete training and assessed package from our Activity Site in the Lake District National Park at Bronze Silver and Gold Level – PLEASE CONTACT US FOR MORE INFORMATION AND DATES – Prices start from as little as £190 per person

### **Spanish Costa Brava – Gold Exploration**

Working in Partnership with Costa Vertical, we are able to support overseas exploration of the beautiful region of the Costa Brava region of the Spanish Mountains; taking in the breath taking scenery of this remote region and researching the local castles, monasteries and remote mountain villages. Exploration can include rest days and climbing activities to incorporate a more relaxed visit to the region. All aspects of the visits can be arranged – please enquire for further details and to discuss your ideas.

### **Gold Residential (5 days)**

As part of the work we provide across the country, we are able to support Gold Participants to complete their residential program by supporting vulnerable young people to access outdoor learning and adventure. Please contact us directly to enquire about dates and locations which run throughout the year.
